Well we made it. I'm
finally on my way
to you. I hope you had a
good time. I hope
the year will move
now.

Thanks for being such
a good friend to me. You've
helped me get through a
lot of "rough days". I had
luck with what I've
decided to do after
graduation.

Thank you
Dana

I've had lots of fun
going through high school
with you. I hope this
year is the best of all.
You are one of the
nicest girls I know.
I hope you'll be
the prettiest and
the most
like

MWC

Thank you for
all the fun and
the good times.
I hope you'll be
the prettiest and
the most like
the girls I know.
I hope you'll be
the prettiest and
the most like
the girls I know.

Lane,

You have been
a wonderful classmate. I
appreciate you laughing at all my
jokes. (good and bad) I hope that you
sit next to me too much out of life and
life doesn't sit too much out of you.
Don't ever take your retainer out, because your
teeth will rotate around in your mouth. I'm sure we
Lane & Lee, will have a wonderful senior year.
Love ya'
Susan

you two are
two of the craziest
guys I know and I can
betray you to death.

Love Cindy

Lane, we're finally seniors!
Well, we had fun in the past
5 years! Hope you have
a great future! Stay sweet!
Love ya.
Cherie

Lane,
you are about the nicest
person that I have ever
met. We have had some
fun years at Heritage.
But this year is gonna
be the best. Good Luck
always. Please, let's keep
in touch after we grad.

"79"

Love ya,
Jackie

Lane,
You're a
nice girl and
a true friend.
Hope our senior
year is the best
yet.
Best Wishes,
Nancy

Class Poem

All the battles, all of the laughter,
That we went through are slowly fading.
But this is only a chapter
In the story of our lives
And we'll never forget these years.

Promises that we make will be broken
Like "I'll write you, and "I'll see you soon."
But they still will be made as a token,
We've been together so long that you know;
We've got to have something just to hold on to.

We've come a long, long way
Growing together
Memories that we made
Will stay alive forever.

We don't know exactly where we're going,
Or what we'll do when we get there.
But the pain in our hearts is showing;
Leaving each other at this point in time
Makes us realize just how much we really care.

Some of us may move on
And live different lives
But the love we know
Can never die.

The 1977-1978 Heritor Staff would like to dedicate this year's annual to Coach Ricky Jones. Coach Jones has been at Heritage for the last five years and has exercised true leadership and direction needed in achieving a great school. With his support, we have gained the motivation necessary to have come out on top.

Seniors So Long

Seniors So Long

My year as editor has drawn to a close. Some parts I'm glad to be done with; others I'll miss terribly. It's been fun and hectic, amusing and serious, but altogether rewarding and enlightening. However you categorize it, this year would not have been nearly as successful without the dedication and hard work of the staff of the Heritor.

My thanks go out to Gael Broome, our advisor, who not only put up with our impossible demands but was able to fulfill them.

One of the purposes of an annual is to preserve the memories of our school days. This year's Heritor holds those memories for us, and we feel that it will hold them for you.

In closing, I would again like to extend my sincere thanks to all those who unselfishly devoted their time and energies to make the Heritor a great success!

Sincerely yours,

Frances Jones

SENIOUS it is going to be even
better. Good luck in the future.

Times of Your Life

Good morning yesterday

You wake up

and time has slipped away
and suddenly it's hard to find
the memories you left behind
remember, Do you remember the
laughter and the tears the shadows
of misty yesteryears?

The good times and the bad you've seen
and all the others in between remember

Do you remember the times of your life?

Reach back for the joy and the sorrow
put them away in your mind,

for memories are time that you borrow
to spend when you get to tomorrow
when you're not involved
Here comes the setting sun

The seasons are passing one by one
So gather moments while you may

Collect the dreams you dream today
remember

will you remember the times of your life?

Lane.
